My computer is shutting down for a reboot for Adobe Reader installation. I will when it is back up.

John Jurevis is going to join you and Sangsook on the inspection. He will call shortly.

Subject: Pre-inspection form

When we were discussing the plan for ArcelorMittal on Monday, you said I need to fill out a pre-inspection form. I've looked through the WECA procedures folder on the share drive, but I'm not sure I found the right thing. Would you please send me whatever form I need to fill out? Thanks.
